

ÉCOLE RW BOBBY BEND SCHOOL

377 2nd Avenue North, Stonewall
bobbybendpac@gmail.com

Dear Parents and Caregivers,

I am Amanda Clarke, President of the Parent Advisory Council at École RW Bobby Bend School and want to welcome your child/children to kindergarten on behalf of all of us at PAC.

The Pac is dedicated to supporting, promoting, and enhancing meaningful involvement of parents and caregivers within the school. Our group offers a unique perspective and insight about the student's needs in a learning community. As your child's parent/caregiver, you are your child's best advocate. You understand what strategies work best at home, their likes, and dislikes and how to best support their needs. These are all things we bring to the table when working with our school to better it for our children!

Our values here at PAC include teamwork among staff, with and within the Board of directors, with members and all education partners. Fundraising for our school. Honesty in dealings with one another. Integrity, and open and clear communication always.

We would love you to join our volunteer group so you can also help enhance the structure of your children's future at École RW Bobby Bend School. Please feel free to email me at our website with more information about joining our team.

Warm Regards,

Amanda Clarke President of PAC
