CHRISTMAS COIN COLLECTION OF CHEER December 2 - 6:

This Christmas season, RWBB would like to once again support the Christmas Cheer Board through our very successful Christmas Coin Collection of Cheer. In lieu of the generous donations of food and toys that come from our RWBB students and community, we would like to engage our students in a Christmas Coin Collection of Cheer that would see students bring specific types of coins on a specific day on five individual days. Students who choose to participate in this campaign are encouraged to bring in coins as outlined below:

- Monday, December 2 - Nickels
- Tuesday, December 3 - Dimes
- Wednesday – December 4 - Quarters
- Thursday, December 5 - Loonies
- Friday, December 6 - Toonies

We are excited to be able to continue the tradition of giving in our school and look forward to engaging students in the importance of helping others.

CHRISTMAS SPIRIT:

At this festive time of the year, many of our students like to purchase a little something for their teacher. While this thoughtfulness is appreciated, we would like to suggest that rather than giving a gift to the teacher, a donation be made to the Christmas Cheer Board or to the charity of your choice.
