Weekly prize draws will be made for participating students. The grand prize draw of a brand-new bike will take place at the end of June.

## **RWBB DAY OF KINDNESS:**

On Wednesday, April 9<sup>th</sup>, RWBB will be celebrating kindness. All students are encouraged to wear a pink t-shirt to celebrate kindness, diversity and inclusion. The simple act of wear a pink t-shirt can have a big impact on our culture and society; we are never too small to make a big difference.

**GRADE 4 SPRING CONCERT:** On April 23<sup>rd</sup> & 24<sup>th</sup> RWBB students are excited to present: **BROADWAY BOUND!** Our students have been hard at work practicing and learning lines. Each Grade 4 student will receive two tickets to each performance. Entry is by ticket only. Please consider donating to our silver collection at the door, which will help cover the production costs.

**EARTH DAY:** RWBB will celebrate Earth Day on Tuesday, April 22<sup>nd</sup> with our Green Team, a group of Gr. 4 ÉRWBBS, introducing the Foodcycler to classrooms. The Foodcycler is a composting appliance that takes organic food scraps and turns them into compost. The Foodcycler was given to the school as a part of a grant from the R.W. of Rockwood to all Interlake School Division schools two years ago. This is just another way that the Green Team is helping to teach students about waste diversion and sustainability. Please send in your dead batteries for recycling as this is another initiative the Green Team is working on these last few months.
