KNOWLEDGE KEEPERS AT RWBB:

RWBB has had the privilege of having Knowledge Keepers Mark Hall, and Cheryl Alexander share their knowledge and teachings with our school. Mr. Hall will set up our school tipi and shared his knowledge and teaching with students from our division. Ms. Alexander will be coming for a number of days to share teachings and stories with our classes in our tipi.

MULTICULTURAL MAY:

May was a vibrant and meaningful month at our school as we celebrated the rich diversity within our community during our Multicultural Celebrations! We kicked off the month with an exciting multicultural assembly that brought students and staff together to experience dances and music from a variety of cultures, filling the room with energy and appreciation for traditions from around the world. A special highlight was the Michif language presentation by Mr. and Mrs. Lavallee, who shared their knowledge and passion for the language while helping students connect with Métis culture, followed by a delicious bannock treat enjoyed by all. Students also had the opportunity to participate in our very first Multicultural Fair. It was inspiring to see such curiosity, respect, and enthusiasm of our students, making this celebration a memorable reflection of the diversity and strong sense of community within our school.
